

A letter from Shanghai

Hello!!!

We are writing from Britannica International School in Shanghai!

Thank you very much for your letter, we loved reading it.

Here are some pictures that show us enjoying carpet times and snack time.

We also had a visit from the Police, it was lots of fun meeting them.

Each week we go to our library, which is on the second floor of our school and Miss Freeda, who is from Korea reads us a story.

We have been learning how to swim in our swimming pool.

We have finished school today for two weeks because it is Chinese New Year, this week we have enjoyed making dragons and dumplings; we also went in our indoor playground (because it was polluted) to play some Chinese games.

We love going to school and listening to our teachers Miss Amy and Miss Dani who teach us lots of things.

What have you been learning about?

Nursery A and B

(I hope you enjoy seeing some of the things we have been doing, we will send more details of our routines after the holidays!!!!)

Maria Smyth

Year 3C Class Teacher
